GQG Partners LLC (“GQG”) is registered as an investment adviser with the U.S. Securities and Exchange Commission. Please see GQG’s Form ADV Part 2, which is available upon request, for more information about GQG.

The information provided on this website has not been audited; does not constitute investment advice; is not a recommendation to follow any strategy or allocation; should not be substituted for the exercise of one’s own judgement; and no investment decision should be made based upon it. In addition, neither is it a recommendation, offer, or solicitation to sell or buy any security or to purchase of shares in any fund or establish any separately managed account. It should not be assumed that investments made in the future will be profitable or will equal the performance of any securities

discussed herein. This website reflects the views of GQG as of a particular time; these views may change without notice. Any forward-looking statements or forecasts are based upon assumptions and actual results may vary. GQG provides this website and its content for informational purposes only. While GQG has gathered the information in good faith from sources it deems to be reliable, GQG does not represent or warrant that any information, without limitation, is accurate, reliable, or complete, and it should not be relied upon as such.

Before making any investment decision, you should seek expert, professional advice, including tax advice, and obtain information regarding the legal, fiscal, regulatory, and foreign currency requirements for any investment according to the law of your home country, place of residence, or current abode.

Any account or fund advised by GQG involves significant risks and is appropriate only for those persons who can bear the economic risk of the complete loss of their investment. There is no assurance that any account or fund will achieve its investment objective. Accounts and funds are subject to price volatility and the value of a portfolio will change as the prices of investments go up or down. Before investing in any strategy, you should consider the risks of the strategy as well as whether the strategy is appropriate based upon your investment objective(s) and risk tolerance. There may be additional risks associated with international and emerging markets investing involving foreign, economic, political, monetary, and/or legal factors. International investing is not for everyone. You can lose money by investing in securities.
